

Protection with Reliability and Trust

**Edition
2.1**

Consisting of...

NewAge® was founded in the year of 1960 at Surendranagar, Gujarat, India and it has 6 decades of experience of manufacturing various kinds of Fire Fighting Equipments and Fire Hoses. NewAge Group has the factories spread over 50,000 sq. mtr. in Surendranagar. It has its regional offices in New Delhi, Ahmedabad, Pune, Chennai, Kochi, Vadodara, Kolkata and Bangalore. **NewAge**® also sells its equipment through its efficient network of Distributors throughout India. For the last 45 years **NewAge**® has been selling its product abroad as well and today exports the products to more than 60 countries. Since its inception, **NewAge**® has grown to become the only manufacturer in the subcontinent to provide the complete range of Fire Fighting Equipments starting from Fire hoses, Hydrants, Water Foam Monitors, Foam Equipments to Fire Fighting Portable Pumps, Trailer Fire Pumps and Fire Vehicles. **NewAge**® is indisputably the leading manufacturer of these products. It is considered a benchmark in the fire industry due to its consistent and quality based principle.

NewAge® group has acquired Jayshree Textiles - a division of India Rayon Corporation, Aditya Birla Group in 2003 and Hose division of one of the other renowned international companies in 2007.

With a production capacity of 15,000 meters of fire fighting hose per day, **NewAge**® Group of companies became the largest production house for fire fighting hoses in Asia.

NewAge® Group of Companies is backward integrated and fully self-reliant for its production activities with its own in-house Foundries and Machine Shops with daily casting capacity of 2,000 Kilograms.

NewAge® has been a regular supplier of approved quality goods to sectors like Oil and Gas, Chemical and Fertilizer, Power Plants, Aviation Industry, Construction, Port Trusts, Defence Establishments and other such industries.

The group of companies employs about 500-people in-house team successfully and it keeps growing. It is a regular recipient of Export Excellence Awards for exporting the product to leading countries such as Singapore, Malaysia, Kuwait, Myanmar, Indonesia, United Kingdom, Italy, Germany, Denmark, Belgium, Greece, Canada, Ireland, United States of America, South Africa, United Arab Emirates, Philippines, and others.

At **NewAge® Group of Companies**, when it comes to protection of people and property, there is no scope for error because we believe that it is our responsibility to be the good stewards of safety. For complete customer satisfaction and safety, quality is ingrained in our work and our values.

Since its inception, **NewAge®** endeavors to continually and effectively improve the quality of its products and services in accordance with the International standards. As a part of our quality policy, our equipment meets the ISO 9001:2008 guidelines and we are accredited by numerous National and International regulatory bodies for the remarkable quality of our work.

At each phase of production, our quality control personnel rigorously tests and examines the performance and durability to present our customers with a neat portfolio of products.

At **NewAge®**, we have a relentless passion for quality as we aim to make the community a safer and better place to live.

Customer Satisfaction

- ◆ Product Quality
- ◆ On-Time Delivery
