

Flange Adaptors

ITEM CODE: NFF-ADP-FA

Description

- Flange adaptors are either the standard flange adaptors or international shore adaptors.
- Standard flange adaptors basically are of 3 types – ANSI / Table D or PN16 flanges. These come with any international adaptor.
- They are also available with NRV (optional)
- International Shore connections are based on a fixed flange size (178mm Diameter / 132mm PCD) and supplied with 19mm slots for fitting. They come with any international adaptor.
