

Pyrofrac (Large Diameter Hose)

ITEM CODE: NFF-FH-PF

Description

- 5 times abrasion resistance of Nitrile rubber hoses
- Extremely hard wearing and durable for long service life
- Resistance to oil, fuel and a wide range of chemicals
- Resistance to weathering and ozone
- Flexible and lightweight compared to mandril built hoses
- Excellent cold flexibility
- Quickly deployed and retrieved
- 50% higher puncture resistance than that of Nitrile rubber hose
